## Construction

- 12** Company portrait – 50 years NZG **6**
- 28** Doosan DX800LC-3 from Clover World **16**
- 30** Komatsu HB 365LC-3 from First Gear **18**
- 32** Caterpillar D8K from CCM **20**
- 33** Sennebogen 830E from Conrad **24**
- 36** Kobelco SK210D from Motorart **26**
- 38** Excavator tools from Giftmodels **28**
- 44** Kleemann Mobirex MR 130 Z Evo2 from Conrad **34**

**René Tanner’s trip around the world with truck models takes us to Denmark this time where Erik Mortensen is on the road with his Scania LS 141. For 50 years NZG’s new models for us to enjoy, WSI on the road with new trailers and CCM’s new dozer are some of the other stories.**
